

ENIGMA 2022-23

SOCIAL INITIATIVE ACTIVITY

BEACH CLEAN-UP DRIVE

IN COLLABORATION WITH

‘BEACH PLEASE INDIA’

DATE: 05th June 2022, Sunday.

VENUE: Mahim Causeway Slope

World Environment Day

Post Event Report

Team Enigma in collaboration with 'Beach Please India' organised a beach clean-up drive as a social initiative for this year. The drive being held on 5th June 2022, Sunday on the occasion of World Environment Day, was an immense success with the support of our teacher incharge Dr. Amruta Patil and our honourable Principal Dr. Mrs. Shobana Vasudevan. This two hour drive began at 8 a.m where the number of attendees from our college was more than 110. Everyone was working towards a good cause. The event witnessed a celebrity appearance by Mr. Gaurav Taneja and Mrs. Ritu Rathee Taneja who happen to be digital content creators and Youtube bloggers. Other guests of honour were Mr. Sameer Wankhede who is the Zonal Director of NCB and Mrs. Kranti Redkar who is a Marathi actress. Apart from Podarites, other members were also a part of the clean-up. After 2 hours of cleaning and collecting waste, we managed to clear out a reasonable amount of garbage. In totality, around 40 bags of waste and garbage were collected. The same was transported to the dumping areas. The attendees were provided with refreshments and assistance. Post clean-up, the guests were asked to share their experience of the drive. Later, our teacher incharge shared her views and gratitude to the Team Beach Please India. Team Enigma had an informal chat session with the founder Mr. Malhar Kalambe. The Co-founder of the Beach Please Community, Miss. Poonam Shah who happens to be a Podarite was immensely proud to see students in huge numbers. Dr. Amruta Patil also offered a formal vote of thanks to the organising team and instilled a sense of responsibility towards the environment. Her words of wisdom encouraged the students to engage in more such activities. With this, the event ended on quite a positive note.
