**Description:**

Double the Creativity, Double the Fun!

The Hobby Circle of Podar is organizing **Creative Canvas**, a two-days FREE art workshop designed to bring out the artist in participants.

The Bottle Art Workshop will guide attendees in transforming ordinary glass bottles into stunning decorative pieces. This hands-on workshop is suitable for all skill levels, with expert instructors providing step-by-step guidance through various techniques, from painting to embellishing.

The Lippan Art Workshop will introduce participants to the traditional art of Lippan, a form of mud and mirror work from Gujarat. This workshop offers an opportunity to learn intricate techniques and create beautiful, textured designs under the guidance of experienced instructors.

Workshop Highlights:

Hands-On Experience: Instruction from expert artists.

Creative Expression: Exploration of various art techniques.

No Prior Art Knowledge Required: Comprehensive, step-by-step guidance.

These workshops provide a unique opportunity to develop artistic skills and explore creative expression in a supportive environment.
