Description: The English Literacy Circle is here with its first event of the year. Word sleuth. It helps students to expand and build their vocabulary by engaging them in word finding games and crosswords which are fun and educative at the same time. students won't only show their skills but also learn from their peers and make it a nice learning experience for all. The English Literacy Circle aims at improving the communication skills of students and there this event comes in handy to accomplish that task.
