Description:

Illusionary Frames - An exclusive visit to JNAF

The Hobby Circle of Podar College is organizing an exclusive visit to the Jehangir Nicholson Art Foundation (JNAF) on 15th January 2025. This visit includes a guided tour of the “Photo Lies” exhibition by renowned artist Dayanita Singh. The exhibition explores the intriguing relationship between photography and reality, showcasing how images can both document and deceive.

Visit Highlights:

- Guided Tour: Gain exclusive insights into the “Photo Lies” exhibition from experts, understanding the artistic techniques and concepts behind the works.

- Artistic Exploration: Discover the power of photography to create compelling narratives through analogue montage, multiplicity, masking, framing, and scale.
- Cultural Enrichment: Experience a blend of history, creativity, and culture as you explore the diverse artworks and their hidden stories.
- Interactive Learning: Engage with the art pieces and participate in discussions about the themes of truth, fiction, memory, and imagination.

This visit promises to be an enriching and inspiring experience, offering students a unique opportunity to delve into the world of contemporary art and photography.
