Event Format: Online (Google meet platform)

Number of Teams participated: 4

Participants per Team: 6

The Internal Hackathon for Smart India Hackathon, organised by R. A. Podar College of Commerce and Economics, aimed to encourage innovative problem-solving and provide students with a platform to showcase their technical skills. Conducted online, this hackathon saw the enthusiastic participation of 4 teams, each consisting of 6 members.

The primary goal of the event was to nominate the teams for the Smart India Hackathon. Teams were tasked with addressing real-world problem statements given by various organisations on Smart India Hackathon Platform, fostering creativity, critical thinking, and teamwork. The jury team consisted of three faculties, Dr. Pradhnya Wankhade, Ms. Sita Nadar, Ms. Vani Bandi. Mr. Shantanu Gadade moderated the internal hackathon who is also the current college SPOC for Smart India Hackathon.

The event successfully concluded with teams presenting their projects, receiving valuable feedback from the judges, and gaining insights into areas for improvement. This internal hackathon was a great precursor to the Smart India Hackathon, building the confidence and skill set of the students involved. Out of 4 teams 2 teams were selected for the official Smart India Hackathon.

The banner features a top row of logos including G20 India 2023, Ministry of Education, AGTE, MoE's Innovation Cell, Smart India Hackathon 2024, and the 75th Independence Day logo.
