

PRE-EVENT DETAILS

2024-25

Event Name: Unleashing Creativity with Digital Photography (5 Day Photography Workshop)

Name of the Forum: Photography Club

Date: 20th-24th September 2024

Time: 2:00 A.M. onwards (Online), 9:30 A.M. onwards (Offline on 24th September)

Venue: Hybrid

Description:

This comprehensive 5-day workshop is designed to help students master the art of photography and videography while enhancing their creativity. Through interactive online and offline sessions, participants will explore the essentials of digital photography, including camera handling, composition, lighting techniques, and capturing compelling visuals. The workshop will also cover the basics of videography, offering insights into shooting dynamic videos. Additionally, students will learn essential photo editing skills using industry-standard tools to enhance their images, making them stand out. Whether a beginner or an enthusiast, this workshop will equip students with practical skills to create stunning digital content.
