### **2024-25**

**Event Name:** Voltt

**Name of the Forum:** Industrial Interface Forum

**Date:** 30th November 2024

**Time:** 11:30 AM to 3:30PM

**Venue:** R.A.Podar College of Commerce and Economics {G4, G5, G6, G7}

**Description:** VOLTT Fest is an industrial-themed intra-college event organized by the Industrial Interface Forum (IIF) at R.A. Podar College. The fest bridges academic learning with real-world industrial practices, offering students hands-on experience in logistics, manufacturing, and packaging. Events like Choose Your Fate (escape room), Think Outside the Box (packaging challenge), Factory 4.0 (warehouse game), and Supply Chain (logistics relay) provided participants with engaging and practical insights into industrial operations.
