

PRE- EVENT DETAILS
2024-25

Event Name: RE-BLOOM: Upcycled Eco pots

Name of the Forum: Podar Nature Club

Date: 27th July, 2024

Time: 12pm - 2pm

Venue: S6 classroom

Description: RE-BLOOM: Upcycled Eco pots was conducted with an objective to raise awareness about sustainable practices. The activities included upcycling items like PET Bottles in an innovative way along with an auction session. This session was designed to engage the students and foster a sense of responsibility towards nature among them. This event was in collaboration with Innovation Cell.
