Description:

A review party is basically an interactive discussion about a movie or series which might include a summary or any relevant analysis or opinion. The attendees will be discussing the contrasting point of view and character sketches.

The movie for the Review Party is 'The Truman Show'

A movie that reminds us of the fact that "the world doesn't revolve around us." We live in an era where our privacy no longer exists – at least not in the way it once did. Made 22 years ago, The Truman Show is more relevant now than it has ever been.
