BANDE UTKAL JANANI

Orissa has a rich cultural heritage due to its cultural and social diversity. The state of Orissa, however, is completely beautiful in the sense of the word Utkal. It means an area where the quality of arts and crafts is very high and it has some excellent artisans.

Utkrusta Kalayah deshah jah, sa Utkala

The same culture is even better supported with our government and its initiatives that is the 'EK BHARAT SHRESHTHA BHARAT CAMPAIGN'. And addressing the same initiative, our college has organized a Painting and Poster Competition
