

Jeevanrang Trust organized *LIFE RECHARGE ONLINE KNOWLEDGE SERIES*

No schools, no exams, more online learning and parents in COVID-19 lockdown with their kids. What a mess!

People are responding heroically. Some parents are working from home, others have lost their jobs and teachers are creating an entire new way of doing their jobs — not to mention the kids themselves, stuck inside without their friends. Somehow, we will get through this. When we do, how will things look when schools and colleges start again?

Dr Shobana Vasudevan ,Principal of esteemed S.P.Mandali's R.A.Podar College of Commerce and Economics,Matunga, Mumbai, will guide us on this issue. She has been awarded a PEIN-INDIA research excellence award by University of Santiago-de-Compostala, Spain.
A guide to the lives of many many students. She is truly an inspiration to many.
