**Test on SAFE IITB app preparation guidelines:**

- Once you download the quiz that would be visible on your SAFE dashboard. Click on the start button, enter the passcode given to begin the exam. (the exams are auto-programmed and will begin and end at the scheduled time, even if you enter the password 5 minutes early, the exam will not begin)
- Please **update the app** before the examination and **uninstall the other app** which you may notice for examination. (to ensure prevention of app crashing)
- Before the examination fully charge your mobile (100% charge)
- Be equipped with data card as well as Wifi connection.
- Keep simple calculator, paper and pen for calculation.
- **Network disconnection:** nothing to do, students to stay calm and continue
- Touching the “” will show time remaining if the student wants to see
- **Server overload: nothing to do, stay calm and continue**
- **App crash:** student should stay calm and restart the same quiz in-app
- ✓ App crash happens rarely (< 1/1000), and SAFE is designed to be robust to this
- ✓ Just restarting the quiz and report this issue to [podarexam2019@gmail.com](mailto:podarexam2019@gmail.com) after completion of the test.
- **Question rendering issue:** press prev/next 1-2 times
-
