The search has started!

We are looking for the next wave of EY Scholars.

If you know a passionate, independent student looking to make a difference, to build a better working world; share this opportunity of a lifetime with them.

The EY Scholarship program recognizes and rewards students with an excellent entrepreneurial spirit through a business case competition.

This program is open to all the students pursuing graduation across colleges in India.

The last date for registration and submission of the business case is **16 January 2023**.

EY scholars

win
