**S.P Mandali's R. A. Podar College of Commerce and Economics (Autonomous) presents
*The #maskforall Campaign!***

What is this campaign about?

An initiative by our parent body S. P. Mandali, Pune, the ***#maskforall*** campaign promotes making masks at home and teaching other family members to do the same.

Why do we need this campaign?

Due to insufficient masks in the market and dire need of the same in the medical units, we decided to support the current situation by doing our bit.

How to be a part of it?

Step 1: Follow the instructions in the video

(<https://www.youtube.com/watch?v=cJmM6wQ9Ggs>)

and learn to make your own mask. You could use some other sanitized cloth material which is available at home.

Step 2: Upload a photo of the mask (or of you wearing the mask, whichever is preferable) on Facebook/Instagram. Do not forget to tag R. A. Podar College's official pages (Instagram page-<https://www.instagram.com/rapodarofficial/> FaceBook page - <https://www.facebook.com/rapodarcollege>) along **with the hashtag- ***#maskforall***** .

Step 3: Caption the photo with a testimonial and tag your friends along to be a part of this campaign.

We wish to help this campaign reach as many people as possible. Let us come together, or rather, maintain social distance and support the cause.
